

NASCO

FR Thinsulate

A Job Engineered Work Suit Made in USA

Product Description

NASCO offers fleece and insulated liners to add warmth and versatility to our ArcWear and PetroWear products. They can be used as a stand alone jacket or as a removable liner. Either way, the added options to an outerwear program mean more value.

3M FR Thinsulate™ materials available include 120g and 200g weights. Both options provide electric arc and flash fire protection.

Features & Benefits

- **Removable** – Transforms a product into a four-season garment
- **Insulated** – Provides protection from cold weather
- **Electric Arc Resistance** – Minimizes burn injury from an electric arc flash
- **Flash Fire Resistance** – Minimizes burn injury from a hydrocarbon flash fire
- **Fall Protection Access**– Allows for easy use of fall protection harness

Recommended Applications

- Gas & Electric Utility Line Workers
- Telecommunications & CATV Installation
- Oil Refineries
- Gas & Oil Service Contractors
- Gas & Oil Drilling
