

# NASCO

## Liners

A Job Engineered Work Suit Made in USA

### Product Description

NASCO offers fleece and insulated liners to add warmth and versatility to our ArcWear and PetroWear products. They can be used as a stand alone jacket or as a removable liner. Either way, the added options to an outerwear program mean more value.

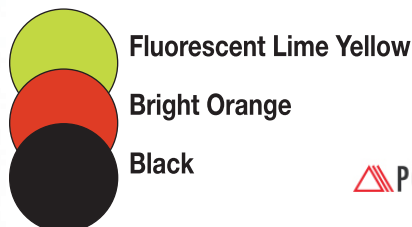

Materials available include Polartec™ fleece made from DuPont's Nomex™ and Protera™ as well as 3M's FR Thinsulate™ (120g and 200g). All options provide electric arc and flash fire protection.

### Features & Benefits

- **Removable** – Transforms a product into a four-season garment
- **Insulated** – Provides protection from cold weather
- **Electric Arc Resistance** – Minimizes burn injury from an electric arc flash
- **Fall Protection Access**– Allows for easy use of fall protection harness

### Recommended Applications

- Gas & Electric Utility Line Workers
- Telecommunications & CATV Installation
- Oil Refineries
- Gas & Oil Service Contractors
- Gas & Oil Drilling
