## WorkHard™ 60 Series

### Product Description

WorkHard™ is a durable, heavy duty protective product designed for food processing and sanitation applications. With an exterior coating, it easily sheds water, oils and sanitation chemicals while it resists being broken down by fats and acids. Sealed seams, metal hardware, and a rugged material extend its life cycle.

### Features & Benefits

- Waterproof
- Lightweight
- Durable
- Dielectrically Welded Seams
- Abrasion Resistant
- Long Life Cycle

### Recommended Applications

- Meat Packing
- Poultry Processing
- Sanitation Crews
- Produce Processing
- Dairy Processing
